

Deliverables

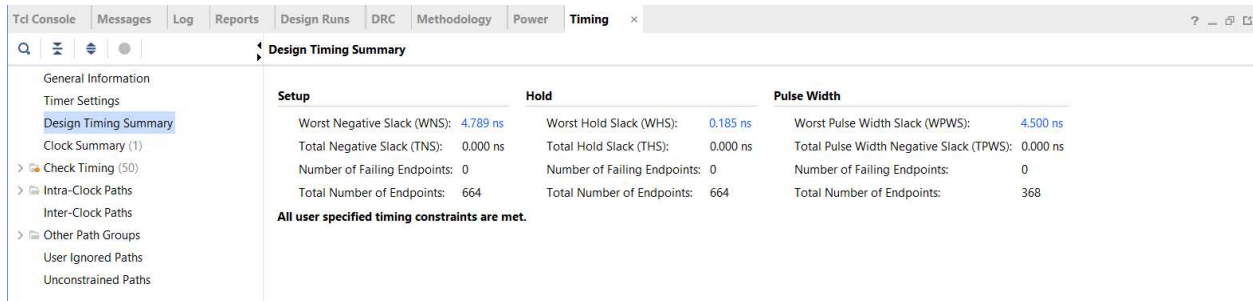

- 1) Block charts remain the same.
- 2) ASM charts remain the same.
- 3) Check attached text files.
- 4) Check attached text files.
- 5) Check attached text files.
- 6) Check attached text files.
- 7)

8)

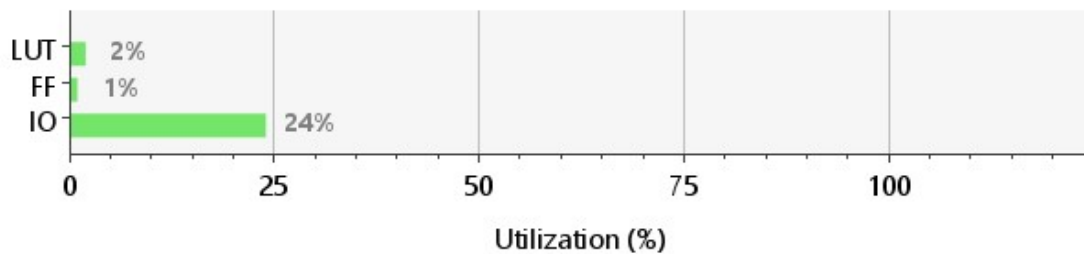

9)

10)

Resource	Utilization	Available	Utilization %
LUT	333	20800	1.60
FF	373	41600	0.90
IO	25	106	23.58

Minimum Clock = $10 - 4.789 = 5.211$ ns

There were no deviations from the original design.

The entire lab was difficult. I should start earlier.
